After the publication of the original article [1], the authors identified errors in two of the affiliations. Affiliations 1 and 4 were duplicated, and the correct affiliation should be the first one: School of Medicine, Department of General Practice, Sorbonne Université, Paris, France.

Another error pertains to affiliation 2. In the original article, the institution was listed as CESP, INSERM U1018, Université Paris-Saclay, Univ. Paris-Sud, UVSQ, Univ. Paris-Descartes, Paris, France. The correct name should have been INSERM, Institut Pierre Louis d'Epidémiologie et de Santé Publique, Sorbonne Université, Paris, France.

The list of affiliations has been updated as provided above, and the original article [1] has been corrected.

The original article can be found online at <https://doi.org/10.1186/s40337-023-00901-0>.
